MEDICINAL.

way from the misery that pursues you. You feel dult and languid and low-spirited; your appetite is poor, your stomach is out of order, your sleep is disturbed, you are irritable and "cranky." There's no real lively enjoyment of life. What you need is Dr. Pierce's Golden Medical Discovery to tone up your liver and help it in working the impurities out of your blood. The lively as a large share of this purifying work to it and sometimes it gets over-loaded so the impurities back up on to the other organs of the body, the kidneys or skin or lungs, and take root, then it's a harder matter to clear them out. Wherever they settle they are all blood diseases just the same, and the "Discovery," will cure any blood disease that was ever named, scrofula, eczema, catarrh, ulcers, swellings, severe coughs and even consumption. But the cure is a harder job when the trouble has gone as far as that. The with way is to go at these impurities before they take root, while they are still floating in the blood and over-loading the liver. Drive them out early. You can do it surely every time, with the "Golden Medical Discovery." You can't get

It year after she had made ber debut as an add a transplant set. actress in this country. Then she leased a cottage on Liberty Heights, in San Francisco, with a view to becoming a legal resident. In order to avoid publicity, her intention to become a citizen of the United States was taken by a clerk of the United States Court in Mrs. Langtry's own house. But her first suit failed. After her complaint was filed Mr. Langtry's lawyers challenged the method by which she had obtained residence here, and it was decided by the judge before whom the case came up that Mrs. Langtry was not entitled o be called a citizen of this country, Then, for the time being, she gave up the effort to free herself from Mr. Langtry, with whom she had not lived for

In September, 1895, the actress made Langtry owned a ranch in Lake counensation for which she was later re spoos ble. It is said that in both her uits non-support and abandonment were the grounds for the appeal.

Mrs. Langtry is now for y four years old. Since her last engagement in this country two years ago she has acted She played for a short time in London last year, and, as the San teld last week, is about to take a tour through the English towns, appearing only in recitations and dialogues.
